Florida Board Of Pharmacy License Verification

Pharmacy licenses can be verified through the Florida Department of Health's website.

Florida Board Of Pharmacy License Renewal

Florida Board of Pharmacy licensees must renew their licenses biennially to maintain the right to practice.

FLORIDA STATE BOARD OF PHARMACY RENEWAL REQUIREMENTS

The Florida Department of Health will renew your license when they receive:

- Completed CE requirements – reported to CE Broker
- Completed renewal application
- Required fees

RENEWAL PROCESS

1. Go to www.flhealthsource.gov and select **Renew A License**.
2. Log in with your Personal Identifying Information (PII).
3. Select **Renew My License**. The **Renew My License** option will be visible on your dashboard at least 90 days before your license expiration date.

LICENSE REACTIVATION

If you need to reactivate your license from an inactive or retired status you must pay additional fees and meet specific continuing education requirements. To request reactivation requirements, contact the board office at info@floridaspharmacy.gov. If you have been on inactive status for more than two consecutive biennial licensure cycles, you may be required to sit for a special purpose examination or complete other requirements in order to reactivate your license.

CE Requirements for Your First Biennium Renewal

There are specific continuing education requirements for your first biennium renewal. If you are renewing your license for the first time, you only need to obtain 12 or 3 hours of continuing education, depending on the time between your initial licensure date and your first renewal.

If your first biennium license renewal occurs **12 months or more** after your initial licensure date:

Required Subject Area	Required Number of Hours*
General Hours	9
Medication Errors	2
HIV/AIDS	1

If your first biennium license renewal occurs **less than 12 months** after your initial licensure date:

Required Subject Area	Required Number of Hours
Medication Errors	2
HIV/AIDS	1

CE Requirements for Registered Pharmacy Technicians Certified to Administer Vaccines

A registered pharmacy technician who is certified to administer vaccines must complete 2 hours of Board-approved immunization CE each biennium.

Special note: these 2 hours are IN ADDITION TO the normal CE requirements.

Continuing Education Reporting Information

The Florida Department of Health Division of Medical Quality Assurance will review your continuing education records through the electronic tracking system when you renew your license. This will happen automatically and without interruption as long as your records are complete.

The board's electronic tracking system is powered by CE Broker. There are several account type options for practitioners, including a free version, whereby you can monitor your progress.

Complete your Florida tech CE with certainty. Everything you need to renew, NABP CPE Monitor and CE Broker reporting included.
